

London's Poverty Profile provides evidence on and insight into poverty and inequality in London. It shines a light on these issues to prompt action from local and national government, the third sector, faith groups, practitioners, experts, businesses, the public and indeed anyone who cares about making London a fairer city to live in.

This factsheet draws together insights specifically for Barnet from the wider set of indicators published in London's Poverty Profile.

For details of the data sources and methods used please see <https://trustforlondon.org.uk/data/boroughs/overview-of-london-boroughs/>

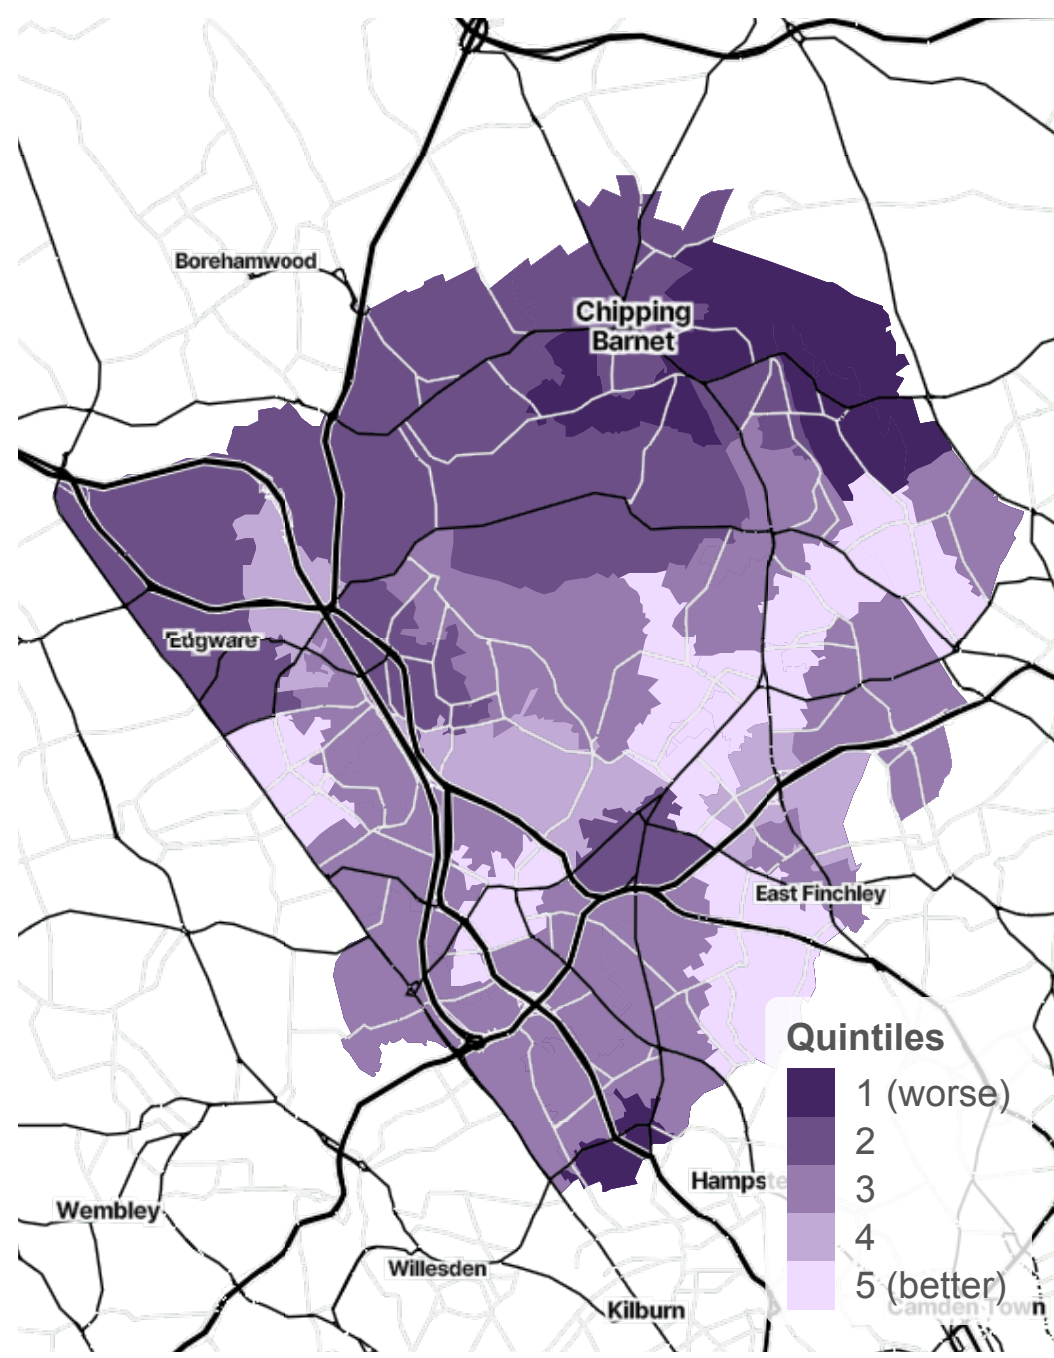

The chart above summarises the boroughs' indicators across each of our themes. The center represents worse performance, outer rings better
